

CITY OF VANCOUVER

SPECIAL COUNCIL MEETING

A Special Meeting of the Council of the City of Vancouver was held on Thursday, October 8, 1970, in the #1 Committee Room at 9:30 A.M. with the following members of the Council present:

PRESENT: Aldermen Adams, Bird, Broome, Calder, Linnell, Phillips, Rankin and Sweeney

ABSENT: His Worship the Mayor (Civic Business)
Alderman Hardwick
Alderman Wilson

CLERK TO THE COUNCIL: R. Thompson

Alderman Adams was elected to the Chair.

This meeting was called for the purpose of considering the application to amend the Zoning and Development By-law re roof signs.

The City Clerk referred to the following resolution of the Council of October 6, 1970:

"THAT the report of the Board of Administration dated October 2, 1970, regarding control of roof signs, be tabled and in the meantime the Corporation Counsel be requested to prepare an amendment to the Zoning and Development By-law, in accordance with the Council's resolution with a modification in respect to parapet walls and such amendment be submitted to the Council; in the meantime copies of the draft By-law be sent to the sign industry and they be advised they may make representations with regard to the By-law if they so wish."

The Corporation Counsel advised the City Council that the direction to hear representations from the sign industry is unwise since an opportunity should be given to all sides to make representations at the same time and he, therefore, suggested that Council would be well advised to hold a further Public Hearing.
